# TSE Certificated, Easy Cleaning Antibacterial Surface

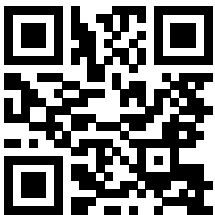

Bathrooms and toilets are the main places we want to keep hygienic in our living spaces. Today, the effort to clean microbes and bacteria that cause epidemic diseases such as coronavirus leads consumers to new searches.

Idevit is a leader of technology and innovation, continue to creating products for customer request.

Products with antibacterial surface save water and energy with the feature of being easily cleaned using less cleaning materials and water.

By scanning the Qr code, you can watch our Idevit toilet seat introduction video.

IdeRimless  
**Rimless WC Pan**

There is no rim or holes in Iderimless toilet technology. The new generation rimless wc pan developed by Idevit provides dirt-free and sediment – free, easy cleaning, more hygiene and aesthetic using, compared to standart wc pans.

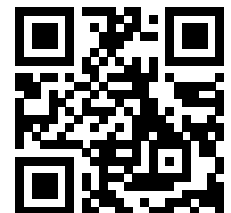

## Invisible and Easy Installation

Idevit provides different wc pan options for each bath needs. Montage is easy for wall hung wc pans with easy installation feature. Invisible installation feature provides aesthetic appearance to your bathroom.

Find easy and invisible installation details by scanning Qr Code

# Functional Seat Cover

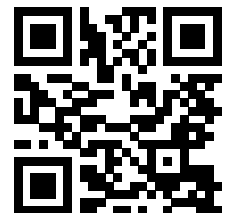

Soft close  
seat cover  
system

One touch  
removing by  
hinge system

By scanning the Qr  
code, you can watch  
our Idevit toilet seat  
introduction video.

# Energy Management System

In order to ensure that the energy resources are used efficiently, IDEVIT has Energy Management System conforming to the ISO 50001 Idevit apply standarts in all energy using processes for sustainable management of efficient energy use.

# Quality Certificates

**TSE 13420**  
Ceramic sanitary ware with antibacterial surface features.
